All members are entitled to an account for billing club charges. All club charges will be automatically billed to your credit card number on file at the beginning of each month. Monthly statements and credit card receipts will be emailed to each account holder by the 5th of each month. Should your card not authorize the charges you will be contacted by club staff and asked to provide an alternate form of payment. The account must be cleared within 7 days. If the payment is not received the account will be put on hold until paid in full.

All prices above are subject to change without notice
